RESPONSE F

Sir:

Applicants have the following response to the Office Action of July 14, 2005.

Initially, Applicants were surprised to receive this Office Action as Applicants had filed an Appeal Brief on April 1, 2005 and expected to receive an Examiner's Answer in reply. Instead, Applicants received a new Office Action. As explained below, Applicants respectfully submit that the new Office Action is deficient and the claims of the present application are patentable.
